

## Education-Based Complete Count Committees (CCC)

It should be noted that many colleges are also serving as regional complete count committees for their areas.

**[The Abraham Baldwin Agricultural College](#)**. Contact Gail Dillard [gdillard@abac.edu](mailto:gdillard@abac.edu) for details.

**Albany State University CCC** has more than 30 members whose goal is to make sure EVERYONE counts. They organized their Census 2010 Kickoff Celebration on April 30, 2009 at the Albany Municipal Auditorium. They stress that the Census means business - dollars to their community from the state and the federal government; representation in congress and in the Georgia General Assembly; and ensuring site locators, economic developers and others know just what your community is like. Contact Adansi Amankwaa [adansi.amankwaa@asurams.edu](mailto:adansi.amankwaa@asurams.edu) for details.

The **Altamaha Technical College** serves as a Complete Count Committee for their communities, including Wayne, Long, Glynn, Appling, Jeff Davis, Camden, and McIntosh counties. Please contact Tracy Brummett [tbrummett@altamahatech.edu](mailto:tbrummett@altamahatech.edu) for details.

**[Armstrong Atlantic State University](#)** has a Committee of 10 members that spans all areas of the campus. They will disseminate information by various means including their web site. Contact Andy Clark [andy.clark@armstrong.edu](mailto:andy.clark@armstrong.edu) for details.

**[Athens Technical College](#)** serves as a Complete Count Committee for the services area including Clarke, Elbert, Greene, Hart, Madison, Oconee, Oglethorpe, Taliaferro, Walton, and Wilkes counties. Please contact Celeste Taylor, Director of Student Support Services, at [ctaylor@athenstech.edu](mailto:ctaylor@athenstech.edu) for details.

**[Atlanta Metropolitan College](#)**. Contact Sheila Tenney [stenney@atlm.edu](mailto:stenney@atlm.edu) for details.

**[Atlanta Technical College](#)** CCC, under the direction of President Alvetta Peterman Thomas, coordinates all 2010 Census activities at the College, educating faculty, staff and students on why they should participate in the Census. Contact Terreta Rodgers [trodgers@atlantatech.edu](mailto:trodgers@atlantatech.edu) for details.

**[Augusta State University](#)** is currently working with their campus housing staff to have all student living in their apartments to complete the census forms. They are also making an effort to get the word out to commuter students. There are census booths scheduled for major campus events and weekly in high traffic areas like the Student Center, Allgood and University halls. Census information will also be placed on their website. Contact Eddie Howard [ehoward2@aug.edu](mailto:ehoward2@aug.edu) for details.

**[Bainbridge College](#)**. Contact Connie Snyder [csnyder@bainbridge.edu](mailto:csnyder@bainbridge.edu) for details.

**Clayton State University.** Contact Brian Haynes [brianhaynes@clayton.edu](mailto:brianhaynes@clayton.edu) for details.

**College of Coastal Georgia** will coordinate all aspects involved in completing the 2010 Census at the College, educating their faculty, staff and students on how they should participate in the Census. Contact Jim Lynch [jlynch@ccga.edu](mailto:jlynch@ccga.edu) for details.

**Columbus State University.** Contact Sri Sitharaman [sitharaman\\_sridhar@colstate.edu](mailto:sitharaman_sridhar@colstate.edu) for details.

**Dalton State College**. Contact Jodi Johnson [jjohnson@daltonstate.edu](mailto:jjohnson@daltonstate.edu) for details.

**Darton College.** Contact Ronnie Henry [ronnie.henry@darton.edu](mailto:ronnie.henry@darton.edu) for details.

**Dekalb Technical College**. Contact Cory Thompson [thompsonc@dekalbtech.edu](mailto:thompsonc@dekalbtech.edu) for details.

**East Central Technical College** will post a link to the census on our website, have a census information table at each of our campus locations including adult education sites, send out emails school wide to faculty/staff and students, host a speaker at a faculty/staff meeting, and distribute information where needed. Please contact Mona Paulk [mpaulk@eastcentraltech.edu](mailto:mpaulk@eastcentraltech.edu) for details.

**Gainesville State College.** Contact Tom Walter [twalter@gsc.edu](mailto:twalter@gsc.edu) for details.

**The Georgia College & State University CCC.** Contact Bruce Harshbarger [bruce.harshbarger@gcsu.edu](mailto:bruce.harshbarger@gcsu.edu) for details.

**Georgia Gwinnett College CCC** are planning to spread the word via flyers, graphics on the television prompters, and email reminders. Meetings have not been scheduled yet and membership has not been confirmed. Contact Austen Krill [akrill@ggc.edu](mailto:akrill@ggc.edu) for details.

**Georgia Highlands College.** Contact Virginia Siler [gsiler@highlands.edu](mailto:gsiler@highlands.edu) for details.

**The Georgia Institute of Technology.** Contact Dan Morrison [dan.morrison@housing.gatech.edu](mailto:dan.morrison@housing.gatech.edu) for details.

**Georgia Perimeter College CCC** consists of 12 members that meet twice a month. They have held Community Workshops in Fall 2009, setup Campus Information Tables, distributed flyers, brochures, and Fact Sheets and published Website information. Contact Vincent June [vincent.june@gpc.edu](mailto:vincent.june@gpc.edu) for details.

**Georgia Southern University CCC** is coordinating University efforts to educate their campus community on the importance of participating in the US Census 2010. Students, Faculty, Staff, Alumni, and Parents will be included in their communications. A University website has been created for US Census information and will launch by mid-March. A team of student leadership consultants is creating a US Census 2010 presentation for campus groups seeking more insight into the process. Residence Hall staff will provide support for the Group Quarters Individual

Census Report collections. Faculty will provide information to students through classroom announcements in March. Staff Council will provide information to units on campus. A Questionnaire Assistance Center will be available March 22 - April 16 in the Russell Union lobby; additionally, a Be Counted table, forms, and collection box will be available in the Zach Henderson Library. Targeted campus email messaging, Facebook/Twitter posts/alerts will be utilized to communicate w/ all campus constituents (students, faculty, staff, alumni, parents). Contact Jayne Perkins Brown [sraoffice@georgiasouthern.edu](mailto:sraoffice@georgiasouthern.edu) for details.

**Georgia Southwestern State University** has a new CCC formed in March with a major goal to make certain that ALL of their on-campus residents [living in Residence Halls] complete a 2010 Census survey and get counted. They will disseminate information by various means including their our web site. Contact Sam Miller [smiller@canes.gsw.edu](mailto:smiller@canes.gsw.edu) for details.

**Gordon College** . Contact Tonya Coleman [tonya\\_c@gdn.edu](mailto:tonya_c@gdn.edu) for details.

**Griffin Technical College.** Contact Xenia Johns [xjohns@griffintech.edu](mailto:xjohns@griffintech.edu) for details.

**Gwinnett Technical College** will involve the Student Life organization and student leadership to promote active participation among our college students, faculty, and staff. Much of the work will be done online via emails, website notices, and signs around campus. Contact Rachel Mariano [rmariano@gwinnetttech.edu](mailto:rmariano@gwinnetttech.edu) for details.

**Heart of Georgia Technical College.** Contact Rick Swanson [rswanon@heartofgatech.edu](mailto:rswanon@heartofgatech.edu) for details.

**Lanier Technical College.** Serves students from Hall, Forsyth, Jackson, North Fulton, Barrow, Dawson, Lumpkin, Banks Counties. Contact Jennifer Pulliam at [jpulliam@laniertech.edu](mailto:jpulliam@laniertech.edu) for details.

**Macon State College.** Contact Dee Lindsey [dee.lindsey@maconstate.edu](mailto:dee.lindsey@maconstate.edu) for details.

**Middle Georgia College CCC** has 15 members that meet monthly, including a subcommittee made up of student government members. They opened the campus for Census training and recruiting. Currently there is a week-long testing session for enumerators. They also have opened the campus to allow for additional training if needed. They have posted fliers informing the students about the census as well as employment opportunities. They are working closely with Bleckley County to assist in getting the word out. They will be working with the Census and dorm directors to get an accurate count of students in the dorms, and when the census is sent out, they will have information booths set up to assist the students and staff in completing their forms properly. Contact Allen Chastain [acxhastain@mgc.edu](mailto:acxhastain@mgc.edu) for details.

**North Georgia Technical College** serves eight counties in northeast Georgia: Fannin, Union, Towns, Rabun, Stephens, Franklin, Habersham, and White. They are participating in census meetings held in our local communities. Contact Mike King [mking@northgatech.edu](mailto:mking@northgatech.edu) for details.

**Okefenokee Technical College** CCC, is serving Bacon, Brantley, Charlton, Pierce and Ware Counties. Contact Sarah Bennett [sbennett@okefenokeetech.edu](mailto:sbennett@okefenokeetech.edu) for details.

The **Phi Tau Omega Chapter of Alpha Kappa Alpha Sorority, Inc.**, is the first Greek-lettered sorority for black college women, created over 102 years ago. Phi Tau Omega services the communities of Hapeville, Fairburn, Union City and Palmetto, Georgia. They are interested in helping to promote Census awareness as well as assist in making sure that everyone is counted. Contact Leslie Purifoy [lnp03@yahoo.com](mailto:lnp03@yahoo.com) for details.

**Sandersville Technical College** CCC plans to involve their Student Government Association to promote participation, present student "Lunch & Learns" on Census, display posters and distribute flyers, promote at Faculty/Staff/Employee meetings, and display Census information and a website link on the college website. Contact Johnnie Edge [judge@sandersvilletech.edu](mailto:judge@sandersvilletech.edu) for details.

The **Savannah State University CCC** will coordinate all aspects involved in completing the 2010 Census at the university. It includes educating faculty, staff, administrators and students on how they should participate in the Census. Contact Gary Oliver [oliverg@savannahstate.edu](mailto:oliverg@savannahstate.edu) for details.

**Southeastern Technical College** serves students from Tattnall, Toombs, Montgomery, Emmanuel, Treutlen, Jenkins, Johnson and Candler counties. They have promoted participation in the Census to all of their students, staff, and faculty. They have also served as a test site for Census Workers as well. Contact Charla Nail [cnail@southeasterntech.edu](mailto:cnail@southeasterntech.edu) for details.

**Southern Polytechnic State University**. Contact Lydia Niemczyk [lydia@spsu.edu](mailto:lydia@spsu.edu) for details.

**Southwest Georgia Technical College**. Contact Sheryl Sealy [ssealy@southwestgatech.edu](mailto:ssealy@southwestgatech.edu) for details.

**University of West Georgia**. Contact Steve Whitlock [swhitloc@westga.edu](mailto:swhitloc@westga.edu) for details.

**Valdosta Technical College** serves as part of the Lowndes County Complete Count Committee. Their work is part of a community-wide effort to promote Census awareness. They plan to post a link to the census on their website, have a Census information table at their SGA Health Awareness Day, post census info to their social networking sites, send out regular school-wide emails to faculty & students, host a speaker at a faculty/staff meeting, and distribute information to adult education and 'English as a second language' students. Contact Christina Moore [cmoore@valdostatech.edu](mailto:cmoore@valdostatech.edu) for details.

**Virginia Highlands College**. Contact Virginia Siler [gsiler@highlands.edu](mailto:gsiler@highlands.edu) for details.

**Waycross College** CCC has four committee members. Waycross College is a commuter college without campus housing. All of their students will be counted on their parents census unless they

have their own household. The census will arrive in mail boxes during Spring Break, next week. Some information has been distributed to students. An all out effort will be made to make sure that their students know they should make sure their family's census is returned and that everyone is counted, and know why it benefits our community. Contact Howard Potts [swampfox@waycross.edu](mailto:swampfox@waycross.edu) for details.

**West Georgia Technical College** is getting the Census message to students using Email, website postings and posters around campus. Contact Eddie Gore [eddie.gore@westgatech.edu](mailto:eddie.gore@westgatech.edu) for details.
