

The 2010 United States Census: 10 Simple Questions That Will Help Build A Better Community

2010 Census
IT'S IN **OUR HANDS**

Better roads. Better schools. Better healthcare. There is more than \$400 billion in Federal funds that will get dispersed to communities based on the Census. A complete and accurate count is critical to our community getting our fair share. This opportunity won't come along again for another 10 years! So it really is in our hands. Please take the time to complete the questions when the Census arrives in your mailbox in March. And help us spread the word about how important these 10 simple questions – and 10 short minutes – are for our community.
